WITHOUT TECHNOLOGY stuck in the past

👁 14 ✓ 0 ★ 1

Chapter 1 by Marilu Ramos

Once upon a time one girl named Amanda invented the past machine , the past making make that girl happy because she could go to the past when ever she wanted . All of that was made by technology and she(like all people)loved technology she thinked what would we do without technology . one day she went to 1234 in the time where technology didn't exist, when she tried toto return home her past machine didn't work so she was stuck in the past...
